Please be responsible in minimizing your impact on the forest. Share the trails with courtesy - smile, greet, or nod when you encounter other forest visitors on the trail. Multi-use etiquette promotes an equal regard for all, recognizing with respect the specific needs of each user group.

Multi-Use Etiquette

- Maximum vehicle speed limit on all forest roads is 15 miles per hour.
- Motor vehicles stay on marked roads only.
- Hikers and bicyclists yield to horses, should take the uphill slope of the trail, and make their presence known in advance, so as not to startle the horse.
- Should your approach cause a horse to startle, **stop**, and **wait** for the rider to tell you that it is okay to pass. Try to keep a six-foot buffer zone when passing a horse.
- Bicyclists yield to pedestrians, should be cautious around blind corners, and always maintain control of their bikes
- Dogs: State leash laws are applied within State Forest Boundaries.
- Vehicles yield to pedestrians and equestrians.
- Excessive sliding should always be avoided to preserve trails.
- No trail maintenance, pruning or trail modifications without prior approval of the Forest Manager.
- Take everything that you brought in with you out when you leave, nothing more.
- All horses should be kept under control and may not be left unattended.
- Horses should not be tethered to trees, shrubs, or other structures.
- Do not clean your horse trailer in the parking area.
- Step off the trail when possible if your horse relieves itself or kick the droppings off the trail.
- All trail users please stay on marked trails and do not cut corners or create new trails.

Friends of Boggs Mountain

A non-profit organization

Enhancing your experience by:

UPDATING, IMPROVING and FINANCING the forest trail maps

DEVELOPING and MAINTAINING a self-guided interpretive nature trail

CREATING over 50 detailed interpretive trail signs with illustrations
